

Christiane Franck, General Manager of VIVAQUA

Christiane Franck has a Master's Degree in Mathematics and has been General Manager of VIVAQUA since 2005. The expansion strategy she has implemented has especially been marked by the take-over of distribution networks, the conclusion of partnerships with other Belgian water companies, the search for new markets in Belgium and abroad and the creation - in collaboration with Paris, Milan and Geneva - of Aqua Publica Europea.

Christiane Franck is also member of the board of Aqua Publica Europea, Savena (Mines de Vedrin), Telenet and the Université Libre de Bruxelles.
