

Gruppo CAP: Shareholders' Meeting approves acquisition of up to 40% in Aemme Linea Ambiente S.r.l.

On **3 October 2025**, the Shareholders' Meeting of **Gruppo CAP** approved the authorization to acquire a stake in **Aemme Linea Ambiente S.r.l. (ALA)**. The transaction provides for an initial acquisition of **20%** of the share capital, with an option to increase up to **40%**.

ALA, a company of the **AMGA Group**, was established through the contribution of the environmental services divisions of **AMGA Legnano S.p.A.**, **ASM Magenta**, and **AMSC Gallarate**.

The investment in ALA is part of Gruppo CAP's strategy to develop a **large-scale integrated utility**, aimed at strengthening operational efficiency and improving service quality for more than **530,000 residents** in the north-west Milan area and the lower Varese area, through the implementation of **industrial and logistical synergies**.
